

Friends & Family Referral Program

Rewarding You for Referring Us

*Our Referral Appreciation Program is a benefit available to Hudson Heating Company clients who refer business to our company. A referral indicates a client who signs a contract to install a major piece of equipment in their home or rental property. The referral **must** name the party who referred them for it to qualify for any of the rewards mentioned in this booklet. The value quoted includes the installation or maintenance service when appropriate.*

All rewards are available throughout the year – however any reward that requires installation or maintenance must be scheduled.

When you refer your friends & family to us and they mention your name- you can choose from the following:
